

### 1 Teaching

- Home learning packs from Maths and English teachers
- A range of home learning worksheets and learning across the key curriculum areas
- Online assemblies covering a range of social, emotional mental health wellness topics
- School open for key worker children and at risk pupils, gradually opening to a wider number of children
- Children taught in school in bubbles with children of similar academic level.
- Maths and English taught in bubbles with a range of other subjects covered.

### 2 Targeted academic support

- Higher level of contact with those children identified as at risk of falling behind to support parents.
- Bi weekly check ins with parents

### 3 Wider strategies

- Keep in touch page
- Continued online CPD
- Recovery Curriculum CPD
- Recovery curriculum planned
- Assessment of PLIMS to inform progress / regression
- Formative assessment of learning to inform planning to close gaps.
