				Qualification/ Accreditation as appropriate

Within our school context a 'career' is defined as a pathway through life. This includes independent living skills, learning about the world and around them and the understanding of options available to them when they leave school, with support and advice through creative careers education, guidance and work related learning opportunities.

The careers programme is reviewed annually as part of a formal audit process.

For further information please contact the Careers Leader, Charlotte Calcutt at 01670 823182.
