

# Positive Behaviour Support Workshops

These workshops are about understanding and supporting your child's behaviour, particularly if their behaviour can be more challenging at times.

We help parents to think about strategies and to come up with a plan that focuses on a good quality of life for your child and your family.

'I felt included and valued in this group'

'I feel more positive in how to manage behaviours that are challenging'

'It was good to talk and share experiences'

'I felt supported'
