Possible Destinations for Pupils

Kirkley Hall

16yrs+

What they offer

Foundations is Northumberland College's specialised department for students with Special Education Needs and disabilities and students with Learning Disabilities.

Our Independence pathway supports the develop of the person through a curriculum with promotes independence skill both in college and at home. The use of an Independence classroom with a kitchen will develop skills that will last a lifetime. To support this, students will also develop personal resilience and work skills to ensure their readiness for the next step.

Our Carousel program allows students the opportunity to taste the practical element of courses, opening opportunities and allow for information-based decisions on what they would like to do next. Currently the carousel program runs session in Animal Care, Catering and Horticulture, all based within the college with access to extensive resources i.e., Zoo.

The Supported level 1 program allows students the opportunities to study a dedicated course within the specialised SEND environment. Specialist Animal Care, Catering and Horticulture Lecturers will deliver a fully inclusive program, which allows for the individual needs of each learner to support them through the qualification.

Jenny.nicholls@northumberland.ac.uk
Jenny Nicholls Phone: 0300 7706000 ex 07642

Possible Destinations for Pupils

Northumberland Skills

Northumberland County Council
16yrs+

What they offer

We are committed to offering an inclusive curriculum to ensure the best possible progress for all Special Educational Needs and/or Disabilities learners. The curriculum offer is to ensure our learners develop the necessary skills, knowledge and attitudes to prepare each learner for their life beyond education.

Pathway 1 - Pathway to Personal Progress (Foundation Life Skills)

Pathway 2 - Promoting Independence (Developing Life Skills)

Pathway 3 - Foundation in Occupational Pathways (Securing Life Skills)

Pre-Internships - To boost confidence and work-ready skills to enable learners to progress to a full Supported Internship

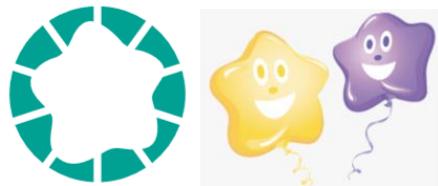

Supported Internships - For 16-25 year olds with an EHCP

We provide support to help learners into: Apprenticeship opportunities or Further Education or Employment.

Alison Thwaite Phone: 07973 612720

Possible Destinations for Pupils

Brightside

18yrs+

Social services referral

No lift to upper floor

No personal hygiene facilities in some services

Everyone should have the opportunity to continually learn and develop meaningful skills and friendships, in their own communities and with peers of a similar age. We want to help to maximise this potential by offering diverse and fun opportunities to learn, grow and thrive.

The Low Needs Service is based in our large residential property in Ashington, this innovative service is designed to maximise the independence of group members, while learning new skills in a real-life home environment.

Medium Needs Service incorporates elements from each of our service in order to cater for those with a moderate level of need, this service offers opportunities to have fun, grow social relationships and explore developing further independence in a safe, structured and supportive environment.

High Needs Service offers a highly structured programme of activities, that is particularly beneficial to those who thrive on routine and consistency. High levels of experienced staff, along with the appropriate environment supports individuals to engage in stimulating experiences while minimising anxiety as much as possible.

The Specialist Service supports those with complex needs in a predominantly 1-1 staffing ratio, this sensory based service provides safe and interactive spaces to feel safe, explore and learn.

Possible Destinations for Pupils

Blyth Star Enterprises – The Steamboat

18yrs+
Social Care referral

Our social care day service at The Steamboat in Blyth supports adults at risk of social isolation and mental health deterioration by providing a programme of engaging activities that promote social integration and independent living skills. Operating alongside this service, we have two community enterprises – Stakeford Nurseries and The Woodfuel Centre. Our day services at Stakeford Nurseries and The Woodfuel Centre provide training opportunities and simulated work experience for those who need vocational support and would otherwise find it difficult to enter competitive employment.

c.boyd@blythstar.org.uk
Phone: 01670 355421

Blyth Star Enterprises – The Woodfuel Centre

18yrs+
Social Services Referral

What they offer

The Woodfuel Centre produces sustainable wood products, such as logs and kindling, for residential and commercial heating.

Working alongside our trained staff, service users have the opportunity to learn about and get involved in all stages of the woodfuel production process in a sociable and supportive environment that replicates as closely as possible, a real workplace setting. Service Users can learn how to do log processing, operate machinery, fork lift truck operations, warehousing, making deliveries, woodwork, joinery and wood-based crafts and participate in social events.

n.hedley@blythstar.org.uk
Phone: 01670 857138

Possible Destinations for Pupils

Blyth Star Enterprises – Stakeford Nurseries

18yrs+
Social Services Referral

What they offer

The service operates a small retail outlet which stocks the produce grown on site for sale to the general public. Service users are encouraged to develop their social and employability skills by spending time working in this retail-style environment, greeting customers, advising on horticulture and operating the till.

Stakeford Nurseries, with its network of polytunnels, greenhouses and outdoor plots is the perfect place for individuals to learn about horticulture and gain new skills in a relaxed and friendly environment. From the basics of sowing seeds and watering plants to more complex work such as preparing soil, planting seasonal vegetables and managing crop rotation, there are lots of different activities for service users to get involved with.

g.carr@blythstar.org.uk
Phone: 01670 855130

Possible Destinations for Pupils

Gateway

18yrs+
Social Services Referral

What they offer

They have a dedicated Day Service, Individual Support and special interest groups, successful sports projects and healthy living, create and chatter, performing arts, computer, older persons', youth and adult social groups. The members also enjoy the regular discos throughout the year that are eagerly anticipated and well attended. Health and happiness is at the heart of everything they do at Gateway.

They have developed a garden which is located on a local farm. They have provided an outdoor classroom/workshop used for small woodwork projects and learning opportunities, as well as a sensory flower garden and raised planters where members can grow and harvest produce.

Phone: 01670 351962

Possible Destinations for Pupils

Key Enterprises

18yrs+
Social Services Referral

What they offer

Wood - Service users learn to produce beautiful, bespoke items from wood on the scroll saw. Create designs for our laser engraver, learn the ins and outs of circuitry or maybe work on some of our bigger group projects and help create a solar-powered go-cart!!

Bikes - In our Bike Department, you can learn to do exactly that! With the support of our bike supervisor, you can develop skills in bike maintenance, learn about the importance of recycling and explore the region on one of our weekly bike rides.

Gardening - We also carry out a range of gardening services in the wider community, cutting grass and strimming hedges for local businesses and members of the public.

Metalwork Department, service users can learn exciting new skills, such as grinding and welding. We upcycle, turn old bike chains and bits of scrap into beautiful new objects, such as garden furniture, fire pits and more!

We run a range of weekly activities from our site and further afield, including badminton, film club, guided walks, gaming club and whatever else our service users can think up!

Creative Arts a variety of activities each week, including band, choir, music therapy, theatre, art and creative writing workshops.

Key Skills sessions, service users are given the tools to develop their independent living skills, from travelling on the metro to cooking a healthy meal, all with the support of a qualified teacher.

Reception@keyenterprises.com
Phone: 0191 2701138

Possible Destinations for Pupils

Natural Ability

18yrs+
Social services Referral

What they offer

Natural Ability's Day Farming service provides opportunities for people to work outdoors, learn new skills, gain qualifications and play a valuable role in the community. Activities can include land-based skills, horticulture, environmental work and animal care.

As a walking group, the attendees are given a choice of where to walk, and after taking into account the weather - set off in our Natural Ability vehicle to their chosen location. The walking group is a chance for attendees to make friends and develop socially in a fun and engaging group.

The Orchard is a day service centre dedicated to adults with learning disabilities. The Orchard provides a welcoming environment where individuals can engage in a variety of activities, build skills, learn, and participate in social circles and events. Each group session accommodates up to 10 individuals, ensuring a supportive and inclusive atmosphere.

Phone: 07925167775

The Hextol Foundation

The Hextol Foundation was founded in 2006. Our purpose is to offer working opportunities to people who find their post-school options limited.

We are unique to the area - no other organisation offers the range of choice and flexibility that we do, without any charge to the beneficiary, and without imposing "joining criteria" such as asking for a diagnosis, upon the people who need our help.

Our 5 businesses are all real working environments, which allow beneficiaries to experience the challenges and rewards that only work can provide. Some people use us as a mental health recovery process, whilst others are looking for practical experience to spring-board them into paid employment. For others, we are a safe, non-demanding place where they can come to meet with colleagues and work on meaningful tasks, gaining a real sense of achievement at the end of the day. Our offer provides structure and support - and this allows us to empower our beneficiaries with the self-confidence and self-esteem to be able to reach their potential.

We have businesses in gardening, catering, The Hextol Tans cafe, our warehouse and pack & post services. At The Hextol Foundation we will support you to do real work for real customers. We also hold several social events which happen throughout the year. People from all our business areas attend the events so you can meet the whole team and make new friends.

contact@hextol.org.uk
Phone: 01434 605253
Address: 14C Gilesgate, Hexham NE46 3NJ

Possible Destinations for Pupils

There is a lot more information on the websites of these services and service staff are always pleased to talk to parents and invite them in to see the provision. Other destinations are always coming up and you could look at the Northumberland County Council local offer for Post 16 placements.
